I, (print your name) \_\_\_\_\_, understand this is not a guarantee of adoption of the listed animal. If allowed to move forward with the adoption process, I understand there is a 3-day trial period to ensure the listed animal is a good fit for me and my family. After the 3-day trial period, if I choose to keep the listed animal as my pet, ownership will be transferred to me and I will from that day forward be responsible for his / her care and wellbeing.

By signing this application, I agree to make the needed commitment required in owning a pet and wish to move forward with the adoption process.

Animal (pet) being adopted: \_\_\_\_\_

By signing below, I agree the adopted pet will be a family pet, only. I will be responsible for the care and wellbeing of the pet by providing proper food, shelter, attention, and veterinary care. The pet will be primarily inside the home, never chained nor tethered outside, nor left in inclement weather.

I will provide annual and necessary vet care and vaccinations, including Rabies, as well as monthly flea / tick / heartworm preventative.

I will list Astasia's Angels Animal Rescue as a secondary emergency contact on the microchip application in case my pet becomes lost and I am unreachable. I agree to notify Astasia's Angels Animal Rescue of any changes to my contact information for the purpose of reuniting me with my pet.

If for any reason I can no longer care for my adopted pet, I will return him / her to Astasia's Angels Animal Rescue without exception. I will not attempt to rehome, nor will I take the pet to a shelter (no kill or otherwise). I will contact Sharina Van Syckle at 469-766-6336 or Jamie Jones at 469-878-3471 to arrange transfer of the pet back to their custody.
